Experience one of the Best Cities in the World - Toronto

Welcome to Toronto — the ideal destination for language learners!

With its welcoming culture, diverse communities, and vibrant energy, Toronto offers an immersive environment to practice and perfect your English.

As one of the most multicultural cities in the world, Toronto provides endless opportunities to connect with people from all backgrounds while exploring its world-class museums, art galleries, theatres, and festivals.

Safe, friendly, and full of life, Toronto quickly feels like home. At TAIE Language School (TLS), you'll not only study English in the heart of this dynamic city but also experience Toronto through engaging activities, cultural exploration, and real-life communication. TLS helps you live the language — not just learn it — and discover why Toronto is the perfect place to begin your English learning journey!

Your Academic Journey

Welcome to TAIE, one of Toronto's leading institutions with over 27 years of excellence in international education. As part of TAIE International Institute, established in 1998, TAIE Language School (TLS) is committed to helping students achieve personal and academic growth through high-quality English instruction and a supportive learning environment.

At TLS, students don't just study English — they experience it. Our program focuses on building confidence, fluency, and communication skills through interactive lessons and real-life practice. With the guidance of experienced teachers and the support of a welcoming community, every student learns to express themselves with ease. Combined with our academic pathway programs and strong partner school network, TLS also provides clear opportunities for students to advance to higher education in Canada and beyond.

Our mission is to provide a comprehensive language learning experience that fosters personal growth and intercultural understanding, empowering students to achieve their academic, professional, and personal goals in an inclusive and inspiring environment.

Our programs includes the development of:

					
LISTENING	SPEAKING	READING	WRITING	GRAMMAR	VOCABULARY

Why TAIE Language School?

Accredited and Recognized Excellence
Approved by Languages Canada, the Ontario Ministry of Education, and accredited by Cambridge International Education and Advanced Placement (AP), TAIE ensures trusted, high-quality standards.

Expert and Caring Instructors
TLS teachers are highly qualified professionals with extensive experience teaching English to international students from diverse cultural backgrounds.

Alternative Pathway to University Admission
Through TAIE's affiliated institutions, students may qualify for language requirement exemptions and gain direct entry to higher education programs.

Academic and Cultural Support
Our advisors offer continuous academic guidance and personal support, helping students adapt, grow, and succeed both inside and outside the classroom.

Personalized and Focused Learning
Our small, interactive classes create an engaging environment where teachers provide individual attention and help every student achieve measurable progress.

Immersive Learning in Toronto
Students practice English in real-life settings through cultural excursions, community engagement, and daily experiences in one of the world's most multicultural cities.

Program Structure & Progression

TAIE Language School (TLS) offers a comprehensive English for Academic Purposes (EAP) program with seven levels, from EAP 100 to EAP 700. Each level is completed in eight weeks, allowing students to progress step by step toward academic success. The Foundation Program (EAP 100–500) builds essential English skills in reading, writing, listening, and speaking, while the Pathway Program (EAP 600–700) focuses on academic writing, critical thinking, and presentation skills. Graduates of EAP 700 or the IELTS preparation course gain the English proficiency needed for university or college studies in Canada, the United States, and other English-speaking countries.

▼ This chart illustrates the progression of TLS’s English levels and their equivalent IELTS and TOEFL scores. Each level combines interactive lessons, skill development, and continuous assessment.
